The Lent course has been developed from 3 years of Life on the Breadline research. It is the result of the Centre for Trust, Peace & Social Relations at Coventry University engaging with Church leaders, Christians, and community groups across the UK. It has been designed for Lent 2022.

The course has 6 sessions. Each session follows the same format which is planned to take an hour – combining prayer, a short video, a Bible passage, guided reflections, discussion questions, and take-away actions.

*The sessions cover 6 themes:*

1. Christian responses to poverty
2. “Love thy neighbour” – poverty and inequality
3. Race, ethnicity, austerity and faith
4. Deficits and assets
5. Housing (in)justice
6. Poverty and structural inequality
